FAREWELL FLOWERS

Price Guide

SUSTAINABLE FAREWELL FLOWERS

At Old Bakery Flower Garden I can help you find the perfect flowers to say farewell.

The flowers will be a very personal tribute, through our conversation about your loved one. There may be a favourite colour, flower or possession that you would like incorporated into the design. Together we can make a floral tribute personalised to them.

Alternatively you may prefer a more traditional design like a casket spray. These are made to be taken apart after the funeral for distribution to friends and family.

All my designs are environmentally friendly and compostable. I grow the majority of flowers myself, supplemented when needed from other local suppliers. During the winter months I may use British suppliers from further afield.

I would love to use my naturally beautiful flowers and foliage to craft a wonderful tribute to your loved one.

HOW I WORK

I work at The Old Bakery, on the main road through Walford between the church and the village hall, 2½ miles from the centre of Ross-on-Wye.

We can arrange to meet at The Old Bakery to discuss your farewell flowers, or you may prefer to have a conversation via email or WhatsApp.

Deliveries

The flowers can be delivered direct to your chosen undertaker in Ross, Newent, Coleford, Cinderford, Lydney or Monmouth or to your home within an approximate radius of 15 miles.

Delivery is free up to a radius of 3 miles then £1 per return mile. Or you may prefer to collect the flowers from me.

SHAREABLE CASKET SPRAY

While this looks like a traditional arrangement, a shareable casket spray is made up of several mixed size bouquets which can be taken apart after the funeral and given out to family and friends. It is totally compostable using biodegradable wraps and bags to keep the arrangement hydrated.
